WHAT OTHERS HAVE SAID...

Best three days I've spent all year so far! Would recommend the class to anyone!

- GLEN RICKS M. Photogr. Glen Ricks Photography, Provo, UT

The hands on approach was invaluable! This is the one seminar I will finally retain what I've learned.

- SHERRY WALSH Walsh Photography Park City, UT

What you will learn in the morning:

- How to get the best shot the first time.
- How to add more life to your shots.
- How to create impact in your images.
- How to use lighting to make your subject look better.

plus much more...

The afternoon we'll top you off with:

- Easier Digital Workflow
- Enhancing your images in Adobe Photoshop or Elements.
- Easy color corrections
- B&W hand colored
- Easy collage templates
- plus much more...
